

BASIC SALAAH CHECKLIST

Compiled by Mufti Afzal Hoosen Elias.

All praise is due only to Allaah. We laud Him and beseech His aid and beg forgiveness only from Him and believe in Him and rely solely on Him. We seek salvation in Him from the evils of our inner selves and the vices of our actions. There is none to misguide one whom Allaah intends to guide. I bear witness that there is no one worthy of worship but Allaah, the One who has no partner. I also testify that Hadhrat Muhammad ﷺ is the faithful servant and the Last Rasul of Allaah. May Allaah Ta'ala's mercy be on him, his family and his Sahabaah ؓ and may He bless them and raise their status.

It is necessary for all of us to perfect our Salaah. The underlying check list will aid in analyzing our current Salaat condition and help one to correct and rectify the future one. When our Salaat becomes closer to the the Blessed Sunnat then the possibility of our duaas being accepted improves.

Take one posture at a time. Read it, study it, learn it, memorise it and when you are performing Salaat, be conscious of what has to be done.

Make a photocopy of the article and on a weekly basis assess yourself.
